IBA-PU ALUMNI ASSOCIATION

FINANCIAL STATEMENTS

**FOR THE YEAR ENDED
JUNE 30, 2019**

INDEPENDENT AUDITOR'S REPORT TO THE MANAGEMENT COMMITTEE

Opinion

We have audited the financial statements of **IBA-PU ALUMNI ASSOCIATION (the Association)**, which comprise the statement of financial position as at June 30, 2019, and the statement of income and expenditure, statement of cash flows and statement of changes in fund balances for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the association as at June 30, 2019, and its financial performance and its cash flows for the year then ended in accordance with approved accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the association in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Management Committee is responsible for the preparation and fair presentation of the financial statements in accordance with the approved accounting and reporting standards as applicable in Pakistan, and for such internal control as the Management Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management Committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the association's financial Reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

DA

Contd...P/2

(2)

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

PRESIDENT

[Handwritten Signature]
TREASURER

IBA-PU ALUMNI ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2019

1. THE ASSOCIATION'S OPERATIONS

The Association was registered in Pakistan on 30th May, 2008 under the Societies Registration Act, XXI of 1860. The registered office of the Association is situated at 200/I, P-Block, Gulberg-III, Lahore.

The main object of the Association is to bring together the old graduates of the Institute of Business Administration (IBA) University of the Punjab, Lahore to share information and experiences in their respective professions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1. Statement of Compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- Revised Accounting and Financial Reporting Standard for the Small-Sized Entities (Revised AFRS for SSEs) and Accounting Standard for Not for Profit Organisations (NPOs) both issued by the Institute of Chartered Accountants of Pakistan.

2.2. Basis of Preparation

These financial statements have been prepared on the basis of historical cost convention.

The preparation of financial statements in conformity with approved accounting standards requires management to make estimates and to exercise judgments in the process of applying the accounting policies that have the most significant effect on the amounts recognized in the financial statements. The estimates and judgments are continually evaluated and are based on historical experience including expectations of future events that are believed to be reasonable under the circumstances.

Significant estimates in these financial statements relate to the provisions for doubtful debts and taxation. However, the management believes that the change, if any, in outcome of estimates would not have a material effect on the amounts disclosed in the financial statements.

There are no key assumptions concerning the future, and other key sources of estimating uncertainty at the statement of financial position date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

2.3. Functional and presentation currency

These financial statements are prepared and presented in Pakistani rupees, which is the association's functional and presentation currency.

2.4. Taxation

The income of the Association is entitled to tax credit equal to one hundred percent of the tax payable, as non-profit organization, subject to the approval from Federal Board of Revenue under section 100C of the Income Tax Ordinance, 2001.

2.5. Provision

A provision is recognized in the financial statements when company has legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made.

2.6. Financial Instruments

All the financial assets and liabilities are recognized at the time when the association becomes a party to the contractual provisions of the instruments.

The financial assets and liabilities are initially recognized at the transaction price (including transaction costs except in the initial measurement of financial assets and liabilities that are subsequently measured at fair value through net surplus or deficit) unless the arrangement constitutes, in effect, a financing transaction which is measured at present value of future payments discounted at market rate of interest for a similar debt instrument as determined at initial recognition.

After initial recognition, the financial assets and liabilities are measured at cost, amortized cost using the effective interest method or fair value through net surplus or deficit on the basis of the Company's business model for managing financial assets and liabilities and their related contractual cash flow characteristics.

The association de-recognizes a financial asset or a portion of financial asset when, and only when, the enterprise loses control of the contractual rights that comprise the financial asset or portion of financial asset. While a financial liability or part of financial liability is de-recognized from the statement of financial position when, and only when, it is extinguished, i.e., when the obligation specified in the contract is discharged, cancelled or expired.

Any gain or loss on recognition and settlement of financial assets and liabilities is included in net surplus or deficit in the period in which it arises.

(a) Trade and other payables

Liabilities for trade and other payables are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received.

(b) Trade and other receivables

Trade and other receivables are stated at original invoice value less an allowance for any uncollectible amount based on the review of each debt individually. Where the payment of a debt becomes doubtful a provision is made and charged to current year's income.

(c) Cash and cash equivalents

Cash and cash equivalents are carried in the statement of financial position at book value which approximates their fair values. For the purpose of statement of cash flows, cash and cash equivalents comprise cash in hand, cash with banks on current, saving and deposit accounts, short term bank financings and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to insignificant risk of change in value.

2.7. Off Setting of Financial Assets and Liabilities

A financial asset and a financial liability is offset and the net amount is reported in the statement of financial position if the association has a legally enforceable right to set-off the recognized amounts and intends either to settle on a net basis or to realize the asset and to settle the liabilities simultaneously.

2.8. Impairment and Un-Collectibility of Assets

An assessment is made at each statement of financial position date to determine whether there is evidence that the association's assets including a financial asset or group of financial assets may be impaired. If such evidence exists, the estimated recoverable amount of those asset/assets is determined and impairment loss is recognized for the difference between the recoverable amount and carrying amount.

Known bad debts are written off and provision is made against debts considered doubtful.

2.9. Revenue Recognition

Revenue is recognized to the extent the amount of revenue can be measured reliably and it is probable that the economic benefits associated with the transaction will flow to the Association. Revenue is measured at the fair value of the consideration received or receivable, exclusive of sales tax, rebates and trade discounts. Income is recognized on accrual basis.
